ABOUT ADOLESCENT SERVICES

Cenikor's Adolescent Outpatient program provides treatment and education to adolescents and their families whose lives have been impacted by substance use disorders. Licensed clinical counselors conduct evidence-based outpatient group counseling programs for adolescents ages 13-17 and their families. Our outpatient satellite model makes recovery services available in underserved communities.

Some adolescent outpatient services include:

- Daily Life Skills and Independent Living Skills
- Drug Education, Counseling and Relapse Prevention
- Family in Recovery Planning
- Parent/Guardian Educational Groups
- Biopsychosocial and Educational Assessments
