ABOUT DETOXIFICATION SERVICES

Cenikor's medically-supported Detoxification services help stabilize clients going through the active withdrawal symptoms associated with substance use disorders. Both intensive inpatient and ambulatory detoxification services are available. Professional assistance is especially important in this critical period on the path to long-term recovery and a happy healthy life. Take step one and contact us today.

Some of the detoxification services include:

- Physical exam
- Medication to minimize withdrawal symptoms
- Supervised care by a licensed medical director
- Individualized treatment plan
- Substance use disorder counseling by licensed therapist
- Orientation to AA/NA support groups
- Discharge planning and referral
