LEVEL OF CARE 03

Think of this as day rehab, where patients receive most of the same components of Cenikor's full-time, intensive residential treatment program, but can go home in the evenings.

This includes counseling, process groups, and education.

- Structured environment
- Ideal for clients coming directly from residential treatment
- Five days per week, approximately six hours a day

QUALITY TREATMENT AFFORDABLE CARE

Getting care to be a better, healthier person should not break the bank. We'll work to come up with a plan for high-quality care at a reasonable price.

CENIKOR

Behavioral health for all.

Named a Center of Excellence for Substance Use Disorder by Evernorth Behavioral Health, Cenikor combines quality, evidence-based care with affordable services for life-changing outcomes
